PIEZO BUZZERS

[Contact Us](#)

The Intervox Piezo Electric Buzzers were created to provide the ultimate in buzzer science while drawing lower current than other technologies. Distinctive in virtually any environment, these buzzers feature a level of reliability, efficiency, and clear, penetrating sound quality that is second to none. They are offered in lightweight compact sizes from the smallest diameter of 12 mm to large piezo electric sounders. Ideal for applications such as Alarms, Medical Instruments, Computers, Tablets, Cell Phones, Toys, etc.
